Automatically track inventory as you ring up sales and accept payments

Intuit® QuickBooks® Point of Sale Merchant Service

Over 240,000 businesses accept credit cards with us and enjoy our competitive pricing.

*Already processing
credit cards?*

**We'll try to meet
or beat your
current rates!**

Accept credit and debit cards directly in your QuickBooks Point of Sale software

QuickBooks Point of Sale Merchant Service helps you:

Save time

- Authorize, process and record transactions in one step
- No need to zero-out a terminal everyday or reconcile discrepancies between your terminal and your software

Save money

- No terminals to buy—everything needed to process credit cards is built into your Point of Sale software⁵
- No need to maintain a second phone line
- Competitive discount rate saves you money
- Accept PIN debit cards using our PIN pad with integrated card swipe⁶
- No hidden fees, statement fees or cancellation fees
- No contracts—you can cancel at any time

Increase reliability

- Reduce data entry errors by only entering transactions once
- From Intuit, the makers of QuickBooks® and TurboTax® software
- 24/7/365 customer support⁷
